

Muskogee County Emergency Medical Service (EMS) – Fact Sheet

- * Muskogee County EMS was established in 1982 as a non-profit, advanced life-support ambulance service; an entity of local county government. Website: www.mcems.us
- * Accredited by the National Academy of Emergency Dispatch as an “Accredited Center of Excellence”
- * Awarded “Advanced Ambulance Service of the Year” by the Oklahoma Emergency Medical Technician Association
- * 20 ambulances with Nationally Registered EMT, Paramedic, Critical Care Transport Paramedic, and Registered Nurse staff.
- * Highest ratings in patient satisfaction surveys
- * Fully equipped disaster trailers, capable of serving more than 100 patients during a disaster situation plus a Disaster Medical Response Team, Tactical Emergency Medical Support Team, and Hazardous Materials Technicians on staff
- * Over 120 full and part-time employees
- * Last year, we responded to over 19,000 requests for ambulance service. This includes 60% emergency and 40% non-emergency responses.
- * State of the art EKG monitors (with 12-lead EKG’s sent wirelessly to receiving physicians), capnography, pacemakers, defibrillators, ventilators, cardiac medications, and much more
- * Stations located on Callahan St., East Chandler St. and North 40th St. in Muskogee; also the towns of Fort Gibson, Warner, Haskell and Webbers Falls
- * Senior Safety Program for our elderly citizens
- * First ambulance service in Oklahoma to participate in the field trial of “clot busting” medications for heart attack victims
- * First ambulance service in Oklahoma to give flu vaccinations in the home
- * Official Training Center for American Heart Association for CPR, First Aid, ACLS and PALS training. Recognized as one of the top 10 Training Centers in Oklahoma
- * Member of the American Ambulance Association and the Oklahoma Ambulance Association
- * Official ambulance sponsor of county-wide AED-certified First Responder Agencies
- * County contact and area resource for “Buckle Baby Right” and Safe Kids Coalition car seat inspection program; active participant with the Safe Place program
- * Established “Vial of Life” and “EKG’s for Athletes” programs
- * Award winning staff: Oklahoma EMS Instructor of the Year, Oklahoma State and National Star of Life Awards, Oklahoma EMS Director of the Year, and more
- * Membership program available
